PROJECT LAUNCH

Pennsylvania Project LAUNCH announces:

LAUNCH Bundled Professional Development in Social/Emotional Development for teams of early educators

We are building interdisciplinary cohorts across schools & programs serving children birth through 8 years to receive three customized modules

Too Mad & Too Sad to Add:
The Impact of Early Childhood Trauma and its Effect on Children's Learning and Development

Understanding Implicit Bias:
Cultural Humility and Institutional Racism

Conscious Discipline:
Transformational Social-Emotional Learning and Classroom Management

A *cohort* will include teams from 2-4 schools or programs in a common community that serve children ages birth through 8 years and their families, totaling no more than 15 individual professionals per cohort.

Each *team* represents a single school or program, and will include 1 administrator, 1 support professional such as a counselor, special ed teacher, nurse, etc. (if available), and 2-3 teachers/caregivers. In this way, a small team of 3-5 people will participate from each school or program in a cohort.

Teams may come from any program serving the LAUNCH target population (birth-8); primary schools, early childhood and Head Start programs, or family-based child care.

- Supports Keystone STARS Performance Standard SQ 3.4.4: professional development on support of social/emotional development
- Provides PQAS/Act 48 Credits
- Recognized and supported by STARS Quality Coaches with programs moving toward STAR 2, 3, o4 4, or maintaining STAR 4

All coursework is aligned with Pennsylvania's Endorsement® through Pennsylvania Association for Infant Mental Health, available later in 2018! For information on Infant Mental Health Endorsement® (IMH-E®) and Early Childhood Mental Health Endorsement® (ECMH-E®) visit: pa-aimh.org/endorsement.html
