

# Making Together

May 25th, 5:00 pm - 7:00 pm  
The Shop, 621 N Dallas Ave  
Pittsburgh, PA 15208

Homewood Children's Village is celebrating our third year participating in Remake Learning Days. We are bringing our partners together to showcase the incredible work happening in Homewood to "Remake Learning." This marks the grand opening of the \$0 co-working space at The Shop being offered to the community at large. There will be food and lots of maker-centered learning activities for those both young and young at heart.

To RSVP visit: [ChangePgh.com](http://ChangePgh.com)

## *You're Invited!*

**A sneak preview of Pittsburgh's first cashless coworking space joining the Homewood entrepreneurship campus.**

A "bring only your talent" community workspace in Homewood that offers working essentials: chairs, tables, and internet in exchange for hours back to the community of your talent but not your dollars.

**Why is it "bring only your talent"?** In addition to coworking basics and in partnership with Comcast, The Shop is able to offer Microsoft Surface Pros, Android tablets, iPad Pros, and noise cancelling headphones during operating hours in exchange for volunteer hours back to the community. We also have a kids area up and running for parent entrepreneurs who need to have a meeting while keeping an eye on kids.

**Who should be a member?** Anyone with talent and who wants to invest 100% of their dollars into their business. We are focusing on entrepreneurs who work with their hands and hearts and not just code on a keyboard.

Join us at [ChangePgh.com](http://ChangePgh.com) on May 25th to see the space, learn about membership, and see the technology we have available thanks to Comcast.
