

# KINDERGARTEN

here I  
come!

**Saturday, August 11, 2018**

**9am –  
1pm**

Kindergarten is a big step for our youngest learners! Join Children's Museum of Pittsburgh for our 14th annual kindergarten readiness celebration.

**Every child entering kindergarten and one accompanying caregiver will receive free admission to the Museum!** During their visit, they can expect a day full of fun and helpful resources, activities, and learning from Children's Museum staff and our amazing partners from around the city to help celebrate this amazing milestone and transition!

Additionally, our youngest learners will have the opportunity to take a ride on a real school bus and interact with a real crossing guard to ensure the first day of school is a smooth ride!

Registration is not required. We hope to see you there!
