The Pennsylvania School-Age (SAC) Professional Credential is offered online and is accessible to all school-age providers throughout Pennsylvania.

The SAC Credential is a competency based program modeled after the Child Development Associate (CDA). It provides individuals working in school-age programs the opportunity to examine their work in relation to the Pennsylvania School-Age Care Competency Standards and to:

- ⊙ Get feedback and support from people who have experience working with school-age children and knowledge about school-age services.
- ⊙ Improve his/her knowledge and skills in ways that are satisfying for themselves and beneficial for children.
- ⊙ Earn a professional credential that is recognized throughout the Pennsylvania and Keystone STARS Continuous Quality Improvement System.

The SAC credential is open to individuals who have a minimum of a high school diploma or GED and have worked at least 480 hours with school-age children in the past five years.
