Naturalist-led Walks and Hikes

Frick Environmental Center

Join the Parks Conservancy naturalists and partners from across the city for walks and hikes that are about one-hour long. Participants can register when they arrive at the event.

Both family-friendly and adults- only hikes are available on topics including spring birds, mushrooms, bugs, wild edibles, and more!

11:00 a.m. to 4:30 p.m.

Ongoing Events

Frick Environmental Center

Activities

Nature play, supervised tree climbing, giant games, pop-up Imagination Playground, and bubbles

Exhibits

Learn about activities and initiatives happening throughout the city with our partner organizations

In the spirit of Earth Day, the Pittsburgh Parks Conservancy encourages all event-goers to consider biking, carpooling, or busing to these events. Reusable water bottles are also recommended. In the case of inclement weather, check www.pittsburghparks.org/earthday for event cancellation information.

For more information visit www.pittsburghparks.org/earthday.

We strive to make our programs accessible to everyone. Inquire about disability accommodations for these events by contacting Patty Himes at 412-586-4576 or phimes@pittsburghparks.org. Requests need to be made one week in advance.

This event is held in partnership with the City of Pittsburgh.
