

Early Intervention Family Information Session

Navigating Transitions During COVID-19

Families are invited to join a live informational webinar from the Bureau of Early Intervention Services and Family Supports about what families can expect during the closure of face-to-face Early Intervention Services. There is no need to register.

Note: Sessions will be recorded and posted on the EITA Portal at www.eita-pa.org/resources-to-support-ei-work-during-covid-19/, in case you are unable to join live.
