

TRANSFORM FOR TOMORROW

A virtual series for
Superintendents and School Leaders

You are preparing already for what will be a very different 2020-21 school year. Incredibly – in a matter of just weeks – you’ve adapted remarkably to new ways of preparing your teachers, educating your students, and supporting your parents.

This virtual series presents opportunities to share and learn from one another how our schools might, together, make plans for what comes next, no matter what tomorrow brings.

Won't you join us?

11 Sessions

The program will consist of 11, one-hour collaborative virtual sessions to be chosen by the participants.

Act 45 Credits

will be awarded for the completion of all 11 sessions and by completing a culminating project. The program will provide up to 40 hours of Act 45 credits.

Pending Pennsylvania Department of Education approval
