

Family Checklist:

Questions for Your Early Learning Provider During COVID-19

What are your current operating hours? (COVID-19 might have affected the normal hours.)

What is the health screening process you are implementing for children and staff?

What is your drop-off and pick-up process right now?

What is your policy regarding visitors and non-essential staff in your program?

What is your program's policy on adults and children wearing masks?

Can you share with me a little about your hand washing and hygiene practices?

What is the staff-to-child ratio you are currently following?

How are you handling groupings of children and use of space in general (ie., meals, nap time, outdoor activities)?

How is your program communicating with families?

Can you tell me about the communication you will have with families about illnesses?

Does the program have an emergency plan for a child or staff member showing COVID-19 symptoms?

Can you share your sick/illness policy with me before enrolling?

How will you meet the developmental needs of my child while following the health and safety guidance of the CDC?

Do you have an outside play area or a plan to get children outside every day?

Recognizing the increased need for cleaning and sanitation, are cleaning supplies and chemicals locked up and out of the reach of children?
