

# Child Development Associate (CDA) Credential Course

Are you an early educator in the North Side of Pittsburgh who is working with young children? Are you looking to take the first step in advancing your career?

Join your peers and Trying Together for this nine-month online CDA course where you will:

- focus on Competency Standards and Best Practices that support healthy early development in young children
- complete online coursework
- receive support from an experienced instructor
- receive a nationally recognized credential upon completion
