

Early Childhood League

Early learning nonprofit Trying Together is seeking applicants to participate in the Early Childhood League.

From January through September 2021, members of the League will meet once a month to:

- empower marginalized families to work with local organizations and other community partners to advocate for positive changes in early learning policies
- receive training from and be supported by Trying Together staff and other experts
- develop and implement their own advocacy plan to further advance the efforts of existing statewide early childhood policy campaigns
