

Children COVID-19 & Consequences

Do you have an elementary age (5 -12 years old) child who goes to a public school?

Would you like to participate in a survey aimed at understanding parents' experiences during the COVID-19 pandemic?

If you are eligible to participate and you complete the survey, you will receive a \$25 electronic Amazon gift card. We may contact you to participate in follow-up surveys 3 and 9 months later.

If you'd like to participate, please click here and you will be taken to our study page:
