# HATCH

## ART+PLAYDATES

Join us this winter for

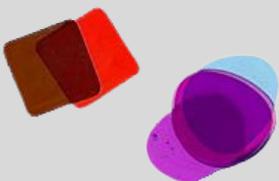

## Playdates with Hatch,

a series of live and recorded, single sign-up courses each week from February 15th to March 29th. Ages 3-5 & 6-9!

Our child centered, joyful curriculum is focused on imaginative open ended art exploration with an emphasis on deepening critical thinking skills and developing creative confidence.

A free sample lesson titled “What Could That Be?” is now available on our website.

Registration for live classes closes 12 hours prior to each lesson. Recorded classes may be purchased at any time. Limited space, [hatchpgh.com/hatchathome](http://hatchpgh.com/hatchathome) to register!

# HATCH ART+PLAYDATES

## Feb 15 Not a Box:

Explore the concept of transformation using loose parts, a cardboard box, and simple tools like masking tape, a stapler, and scissors.

## Feb 22 Making Marks:

Discover the many ways artists can make a mark by combining everyday household objects, paint, and various natural materials to make our own paintbrushes.

## March 1 What Can we Build?

Save up your recyclables for this celebration of sculpture and construction. Bring your clean recyclables, masking tape, and scissors – and a hot glue gun if you're in the ages 6-8 experience.

## March 8 Let's Make a Map!

In this class, we will play BIG using cardboard, construction paper, tape, glue, and other collage materials! Vehicle enthusiasts will enjoy playing with this project for days on end!

## March 15 Cook Up a Creation!

In this class, we will make our own salt dough using basic kitchen ingredients (flour, salt, water) and explore texture and mark making as well. Modeling and molding is just a click away!

## March 22 Art that Moves:

For kids that love to move and wiggle and are fascinated by moving parts, come enjoy art that moves! You will need paint for this class.

## March 29 Build A Play Box!

We love to build scenes for playing using natural materials and parts we find around the house. Come join us for some storytelling play as we sculpt a scene!
