

# Pre-K Explore Day 2021

Saturday, April 17, 2021, 10 – 11:30 a.m.

Virtual, via Zoom

Join ALCOSAN as we celebrate our youngest learners, ages 3-6 for Pre-K Explore Day!

Children will explore virtually the science of ALCOSAN's wastewater treatment process through interactive and engaging science experiments!

*Registration is required and materials will be provided.*

*Children must live or attend an Early Childhood Program in the ALCOSAN service area.*
