

## Find Child Care Programs In Allegheny County for Your Family

1

Visit [www.alleghenychildcare.org](http://www.alleghenychildcare.org) to view current availability at programs.

View current availability at all early learning, after school, summer camp, and virtual programs and sort by age, location, program type, and more to find the right program for your children and family.

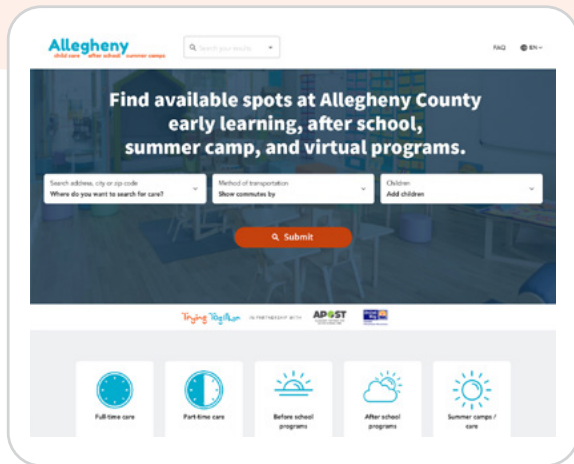

2

Keep track of your favorite programs by creating an account.

Once you "favorite" a program by selecting the heart icon, simply enter your name and email address to create an account to save it for future reference.

3

Reach out to your preferred programs with availability and secure your child's spot.

Once you find the programs you like, you can call, email, or message them directly from the tool to let them know your interest and begin the application process.
