

Kindergarten KICKOFF

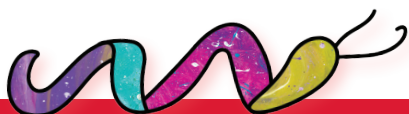

Fri., Aug. 19 • 10 am–5 pm

Share this opportunity with your early learners!

A partnership with Pittsburgh Public Schools and other community organizations

- Early learners entering Kindergarten are invited to Carnegie Science Center to receive school supply bags, their very own Science Center lab coat, and other supplies to get them ready for the school year.
- In addition to the items, early learners and one adult will receive complimentary general admission* to enjoy additional science demos and other programming.
- *All supplies and admission are first-come, first-served (and capacity is limited). No registration is necessary for the Kinder Kickoff event.

Generous support is provided by
