Professional Development Registry Spanish Speaking Virtual Office Hours

The Pennsylvania Key will host recurring office hours for Spanish speaking early childhood education providers interested in learning more about the Professional Development (PD) Registry. The PD registry is a system for the workforce that connects to many of the OCDEL initiatives for early childhood education programs in Pennsylvania. Office hours will be held the same day, at two times of the day to meet the needs of both center and family child care settings. Below is a list of topics to be discussed during office hours.

Please note, that a Spanish speaking provider can connect to any of the office hours with questions related to the PD Registry. Spanish Speaking providers can also reach the PD Registry help desk by sending an email (in Spanish) to: registry@pakeys.org Please put "AYUDA" in the subject line.
