

Your Classroom. Your Students. The resources you need.

At DonorsChoose, we believe teachers know what's best for their students. Our site, used by educators at over 87% of US public schools, empowers you to bring the materials and resources you need into your classroom. Join the community of fellow teachers going above and beyond for their students at donorschoose.org/teachers.

What is DonorsChoose?

DonorsChoose is a nonprofit website that engages the public in public schools. Teachers from every corner of America create classroom project requests that are funded by generous citizen donors as well as corporations and foundations that want to support our nation's students and teachers.

Do teachers like me use it?

Yes! Pre-K teachers in every state, subject area, and grade level use our site. They work in communities of every size and with every level of economic need. If you are an educator at a public, public charter school, Head Start, are employed full-time by the school or district, and work directly with students at least 75% of the time, you are eligible to post projects.

What can I ask for?

From pencils to 3-D printers, you can request anything you need to enrich your students' experience at school. Sports equipment? A classroom library? Furniture? Musical instruments? We can help with those too. If you can imagine it, you can post a classroom project request for it.

How long does it take?

The average project takes about 25 minutes to create and submit. Once your project is funded, we purchase all the resources for you and ship them directly to you or your school, providing you and your school or district with complete transparency and accountability throughout the process.

What kind of support will I get?

You're never alone! We raise more than half of the funds available on our site, and we're always here to answer your questions through our help center. Let's work together to get what you need for your students.

1. Create Your Project

Request musical instruments, books, digital resources — **anything you're dreaming of for your students.**

2. Get Funded

Your friends and family lend a hand; our community of supporters takes care of the rest. **Join the 600,000 teachers who've funded projects through our site**

3. Receive the Goods

We order everything for you and ship it straight to you or your school. **Hello, packages!**

Share your classroom dreams with a community eager to make them a reality.
