

Induction and Evaluation Fees

Trying Together is offering a two-year induction program and teacher evaluations for educators to obtain and maintain a Level II certification.

During the two-year induction program, teachers will receive 32 hours of professional development via Zoom and Schoology, as well as 12 hours of high-quality mentoring. Upon completion, teachers will receive 45 Act 48 hours and 32 PQAS hours.

Teachers who require evaluations will receive the required evaluation(s) from one of our experienced evaluators using the Act 13 of 2020: Evaluation of Educator Effectiveness for Teaching in Pre-Kindergarten Classrooms model. All teachers will receive the required documents from their evaluations needed to convert and maintain certification.

The following costs are effective September 1, 2024 through June 30, 2025 and subject to change. *All prices are listed as per teacher.*

2024/2025 Rates

| Service | Cost |
|---------------------------------|---------|
| Induction* - Year 1 | \$1,150 |
| Induction* - Year 2 | \$1,100 |
| Additional Mentoring (12 hours) | \$880 |
| Evaluations** | \$460 |

**Please note that in order for teachers to successfully complete their induction requirement they must go through both years of induction.*

***Please note that Level I teachers should receive two evaluations per year and Level II teachers should receive one evaluation per year.*
