2026 Highmark Walk for a Healthy Community

The Highmark Walk for a Healthy Community is an annual fundraising walk that benefits local health and human service agencies. This is a great opportunity for nonprofit organizations to raise funds, but not all entities meet the eligibility standards. Early learning programs have a unique opportunity to fundraise for their programs when they form a team on behalf of Trying Together.

If you are the owner or director of an early learning program, Trying Together can work with you to raise funds through the Highmark Walk. Seventy-five percent of all funds you raise will be donated back to your program. These extra funds can be used to buy supplies, pay bills, take fields trips, and more!

Fundraise with Trying Together

Interested in teaming up with us to raise funds for your early learning program? Create your walk team now! Simply scan the QR code or visit bit.ly/walk-with-Trying-Together, select "Sign Up > Create a Team" and complete the registration form.

Need help fundraising? Trying Together has created a guide specifically for early learning programs that includes fun fundraising ideas, emails/letters, social media posts, and graphics.
