*Purchase tickets by June 7, 11:59 p.m

Dust off your baseball glove, put on your Trying Together gear, and join us at PNC Park to support Trying Together as the Nonprofit of the Game! We will be there sharing information about the work we do and cheering on the Pittsburgh Pirates as they take on the Miami Marlins. As an added bonus - all children will have the opportunity to run the bases after the game!

A portion of each ticket purchased will help Trying Together's mission of supporting high-quality care and education for young children.

Kick off the summer with Trying Together & the Pirates!
