Child Care Crisis April 2026 Survey Results

Greene County Respondents—1 Child Care Program

2

unfilled staff positions

100

additional children could
be served if those programs
were fully staffed

When families can't find child care, they can't work.

0%

reported teacher
shortages

0%

reported challenges
recruiting teachers

100%

reported challenges
retaining teachers

The child care staffing shortage is driven by low wages. Wages are so low in Greene County that they fail to meet the cost of living.

The General Assembly and Administration must increase funding for the Child Care Staff Recruitment and Retention Program to prevent more classrooms from closing and further limiting availability for working families in need of care.
