Advances Early Childhood Education Careers!

WHAT IS THIS OPPORTUNITY?

This is an opportunity for early childhood educators who teach and care for young children to advance their careers **AT NO COST!** The Early Childhood Education Professional Development Organization (ECEPDO@PASSHE) is helping Pennsylvania early childhood teachers to advance their education and career pathways in partnership with ELRCs and funded educational partners!

For those who qualify, funding covers tuition/fees and other supports to help students complete a Child Development Associate (CDA) Credential, an Associate's degree, and/or a Bachelor's degree in Early Childhood Education!

With state government grant funding and in partnership with numerous educational entities across the PDO's 62-county footprint, students can access course offerings online, in-person, and via hybrid instruction.
