

Hello,

My name is [your name] and I am calling to leave a message for [legislator name].

Introduce Yourself - Examples

- I am a teacher/director at [program name] in [town or county], PA
- My child attends child care at [program name].
- I'm an early childhood education advocate.

Share Your Concerns

I am concerned that eliminating class size and staff-to-child ratios in Head Start will:

- Deepen the already existing staffing crisis
- Put programs at further risk of closure
- Harm children, families, and our community through a loss or decreased quality of the program
- Make it even harder for parents and caregivers to remain employed if they lose access to high quality, affordable care.

I urge you to maintain the current Head Start standards.
